PRIVATE SECRETARY MYSORE

The Palace, Mysore,
18th October 1920.

My dear Sir,

With reference to the accompanying File No.467 dated 9th October 1920, I am directed to say that His Highness would like to know the special reasons for which it is found impossible to relieve Mr. B. Srinivasa Iyengar at the end of his regulation four years in the Secretariat. Is there no officer who can take his place and if so why has the Financial Secretary not taken steps to ensure the observance of the four years' rule by training an officer to take up Mr. B. Srinivasa Iyengar's work.?

Yours sincerely,

Rajasevadhurina

Of the Assistant Comptrollers one of the following will have to be selected for appointment as Assistant Secretary, Finance Department, as the others are not qualified for the Secretariat charge:-

1. Mr. A. N. Raghavachar.
2. ,, K. R. Krishnaswami Iyengar.
3. ,, R. Srirangarajan.
4. ,, M. A. Rangachar.

No. 1 is working in the Railway Audit Office and as he has been specially trained in Railway Accounts work, it is not desirable to disturb him until another Assistant Cmmissioner similarly trained is available for replacing him.

No. 2 is now working in the Military Department and he is required there for some time more for completing the special work on which he is employed.

No. 3 is in charge of the new Industrial Audit Department of the Comptroller's Office and it is necessary to continue him in that charge.

No. 4 is therefore the only Assistant Comptroller who can be transferred to the Secretariat. I did not propose this transfer as I considered it advisable to wait until one or two of the Assistant Commissioners now under training in the Comptroller's office become qualified for holding charges in that office by passing the departmental examinations and gaining some practical experience of work of the Department. For want of qualified officers, a number of Superintendents have been temporarily promoted to the gazetted

gazetted rank in the Comptroller's Office and this has weakened the gazetted staff of that office. But arrangements have been made for training officers for the work of both the Comptroller's Office and the Financial Secretariat and five Assistant Commissioners -- are now under training there. As these officers become fit for holding responsible charges, it will be easy to transfer officers from the Comptroller's Office to the Secretariat. In about a year one or two Assistant Commissioners may be expected t o -- qualify themselves fully and in these circumstances I have proposed that Mr. B Srinivasa Iyengar may be kept on in the Secretariat for one year more and I beg that the proposal may kindly be sanctioned.

Private Secretary to His Highness
the Maharaja of Mysore, MYSORE.

My dear Sir,

I have received your D.O. No.105 dated the 18th October 1920 regarding the retention of Mr. B. Srinivasa Iyengar in the Secretariat for a year more. The circumstances in which the proposal was made are explained in the note dated 21-10-20 submitted by the Financial Secretary. The four years' rule will be strictly followed as soon as one or two Assistant Commissioners now under training in the Comptroller's Office become qualified for holding charges and in about a year at least one officer will complete his departmental examinations and acquire sufficient practical experience of work of the Department. The retention of Mr. B. Srinivasa Iyengar for another year may ~~kindly~~ graciously be sanctioned by His Highness in the circumstances explained. I return the connected file herewith.

Yours sincerely,
